MALCOLM THOMAS, SUPERINTENDENT
VERIFIED BY RECORDING SECRETARY

JOB SUMMARY

The purpose of this position is to perform skilled work in the operation of a wide variety of heavy vehicles, equipment, and machinery with heightened awareness of driving conditions and surroundings, and in observance of established safety precautions and driving procedures.

ESSENTIAL JOB FUNCTIONS

- Operates various heavy equipment and transportation vehicles with heightened awareness of driving conditions and surroundings, and in observance of established safety precautions and driving procedures.
- Transports various construction, renovation, and maintenance materials and supplies to and from various school storage facilities and campuses.
- Verifies materials to be transported with delivery inventory lists; loads and unloads trucks and trailers.
- Operates and maintains various equipment for a wide variety of maintenance and transportation tasks.
- May use blocks, tackles, skids, flats, pallets, dollies, and other loading, transporting, and storing devices.
- Performs all duties in compliance with all established standards governing the safe and proper operation of assigned equipment and machinery.
- Performs general safety inspections and general maintenance of the vehicles; maintains vehicle cleanliness and sanitation; performs minor maintenance and servicing of vehicles; paints as necessary; reports necessary truck or equipment repairs to supervisor.
- Keeps assigned tools and equipment in operational order by performing routine maintenance, repairs, and adjustments.
- Prepares various mileage, accident, or damage reports as necessary.
- Maintains various records and reports, e.g., records work order logs, maintains inventory of materials, equipment use, and fuel and oil consumption logs.
- Conforms to safety standards as prescribed.
- May use transit and level to set grades.
- Performs related duties as assigned.

MINIMUM REQUIREMENTS

- High school diploma, GED, or other equivalent.
- Four (4) years of responsible experience in the commercial transportation of materials, supplies, and equipment and the operation of heavy equipment and machinery.
- An equivalent combination of education, training, and experience which provides the required knowledge, skills, and abilities to perform the essential functions of the job.
- Must possess and maintain a valid Florida Class "A" Commercial Driver License.
- May be required to acquire special endorsements upon offer of employment.

KNOWLEDGE, SKILLS, AND ABILITIES

- Requires the ability to display knowledge of local, State, and Federal driving laws and regulations as they relate to truck, equipment and machinery operations.
- Requires the ability to display knowledge of city roads and transportation routes.
- Requires the ability to display knowledge of occupational safety hazards and safety precautions.
- Requires the ability to display knowledge of care and operation of transportation equipment.
- Requires the ability to display knowledge of applicable regulatory agency regulations and requirements.
- Requires the ability to display knowledge of operation of heavy construction equipment and/or vehicles.
- Requires the ability to perform labor intensive work.
- Requires the ability to maintain operate logs and records.
- Requires the ability to read and interpret public road maps.
- Requires the ability to recognize and report hazards and apply safe work methods.
- Requires the ability to perform work that necessitates some specialized knowledge of clerical or trades-based tasks.
- Requires the ability to use or repair small/light equipment, such as power tools, medium equipment and machinery, such as vehicles or commercial mowers, and heavy or complex machinery, such as HVAC systems, construction equipment, or water plants.

PHYSICAL DEMANDS

While performing the essential functions of this job the employee is regularly required to stand, sit, or walk, use hands to finger, handle, or feel, reach with hands and arms, stoop, kneel, or crouch, and lift and/or move up to 100 pounds, and may occasionally be required to lift over 100 pounds. The work also requires the following physical abilities in order to perform the essential job functions: balancing, climbing, crawling, grasping, hearing, mental acuity, pulling, pushing, repetitive motion, talking, and visual acuity.

WORKING CONDITIONS

Employees in this position work in an environment with heavy equipment and machinery that could result in bodily harm to co-workers or others.
