II. COMMITTEE/DEPARTMENTAL REPORTS

1. PTA Presentation

Ms. Deanna Neal, President of the Escambia County Council PTA (ECCPTA), gave a brief report on the recent and upcoming events and activities of the PTA.

2. Stellar Employee Recognition

The Superintendent made the following announcement: *It is my pleasure this evening to announce the Stellar Employee for the month of September, Ms. Dian Isert. Dian Isert has been with the School District for nearly 20 years. She presently works at Global Learning Academy. This past year, Ms. Isert has touched the*

lives of the Global Learning Academy family in extraordinary ways. In February of this year, Global Learning Academy suffered a tremendous tragedy when two students died in a tragic house fire. Ms. Isert immediately became the rock on which her team would lean. She was there not only for her fellow teachers, but for the family of the deceased children as well. Ms. Isert was the liaison between the school, the family, and members of the community. When no one knew quite what to do, Ms. Isert turned the entire experience into something positive by working with students on creating a memorial for the young girls who had passed. Bringing a brilliant idea to fruition, Ms. Isert and the students decided to provide smoke detectors to each Global Learning Academy family. No one would have ever guessed that fire would strike twice to the Global family within the same year. Fortunately this time, the sound from the smoke detector woke the pre-schooler who – in turn – woke up her mom. The entire family was saved. This situation would not have been possible without the donation of the smoke detectors by Global Learning Academy and installation by Pensacola Fire Department Engine Four. In June of this year, tragedy once again struck the Global Learning Academy family when two fourth graders and one fifth grader were involved in a car accident. The fourth grade boy did not survive the accident and the two girls were left in critical condition. Once again, Ms. Isert took the reins and made it her mission to help everyone involved. Ms. Isert spent countless hours at the hospital, made numerous phone calls to assist with arrangements, and kept everyone informed. While dealing with logistical matters during both of these tragic situations, Ms. Isert was there to give a hug, hold a hand, or help to keep one's thoughts on something else. Ms. Isert is, without a doubt, an invaluable employee. Dian Isert exemplifies the pillars of people and service. It is for these reasons we are honored to call her our Stellar Employee for the month of September. The Superintendent and School Board congratulated Ms. Isert for being chosen as the Stellar Employee for the month of September. Ms. Isert received a plaque from the School District and a check in the amount of \$100 from Members First Credit Union.

3. “Red Ribbon Certified School” Awards

Through Florida State University's Center for Research, three local schools have received “Red Ribbon” certification. Will the principals of the following schools and their representatives please come forward: Lipscomb Elementary School (Susan Sanders and Libby Debrabant); Ransom Middle School (Brent Brummet and Nancy Kelson); and Workman Middle School (Juanita Edwards, Stephen Elting, and Karen Morgan). These schools are only three of nine schools in the State of Florida to receive certification in May 2012; and only three of sixty-two to receive this honor since 2005, when the certification process began. “Red Ribbon” certification encompasses three years. Schools must apply for this certification and demonstrate competency in the following areas: a healthy school environment; the use of best practices in education; parent involvement; and year-round drug and alcohol and violence and bullying prevention activities. The District's Board-approved random drug testing and bullying prevention policies have greatly enhanced the schools' applications along with coordinated prevention efforts between the Department of Alternative Education and Informed Families, the Florida Family Partnership. Carmela Bechtel, Regional Programs Director for Informed Families, has been very instrumental with the “Red Ribbon” certification process. Tonight, for receiving “Red Ribbon” certification, each school will receive a plaque. Each school will also receive a “Red Ribbon” certified school flag and a digital picture frame at a ceremony to be held at each school site.

*4. One-Half Cent Sales Tax Watchdog Quarterly Report
(Supplementary Minute Book, Exhibit “B”)

Ms. Ashley Bodmer, Chair of the One-Half Cent Sales Tax Watchdog Committee, gave a brief review of the committee's Quarterly Report.

Following the report from the Watchdog Committee, the Superintendent made the following remarks: *The Sales Tax Watchdog Committee is an appointed committee made up of community representatives whose goal is to provide comprehensive oversight of the School District's One-Half Cent Sales Tax. Members of the committee also serve in an advisory capacity providing citizen insight and an objective perspective on the District's facility improvement expenditures. The committee has been in existence since the very first sales tax referendum passed in 1997 and is composed of ten members who work diligently with District staff to continually review every sales tax project. Tonight it is my great honor to recognize one member of the Sales Tax Watchdog Committee. Dr. Alton Butler is the former pastor of Myrtle Grove Baptist Church and one of the founding members of the committee. He has faithfully served on the committee since its inception and*

served the District with his wisdom, insight, and steadfast commitment to the betterment of the learning environment for our students. Regrettably, this evening marks the end of Dr. Butler's tenure on the committee. We have been truly fortunate to have such a charismatic, conscientious, and dedicated gentleman working on our behalf for these past fifteen years. Dr. Butler, in appreciation for your invaluable service to the committee and the students of Escambia County, we would like to present you with this plaque. The Superintendent presented a plaque to Dr. Butler. Together, the Superintendent and the School Board expressed their appreciation to Dr. Butler for his service to the Watchdog Committee and to the students of Escambia County.

6. Recognition of Ferry Pass Middle School's DimensionU National Scholarship Tournament Winner

The Superintendent made the following announcement: *On June 16, 2012, the DimensionU National Scholarship Tournament was being held in New York City. DimensionU is a video game-based learning resource that engages and encourages students' desire to learn math competence through game play. A talented young man from the Escambia County School District was competing in this national tournament. This fine young man is Basel Al Johani, and eighth grader at Ferry Pass Middle School. Basel's journey to New York City began with him qualifying for first place during one of the weekly competitions. At the DimensionU National Scholarship Tournament, Basel competed against 31 students from across the country where he won first place and was awarded a \$25,000 scholarship. Congratulations Basel for your outstanding achievement. Basel's math gaming teacher is Michael Bond. The Superintendent and School Board congratulated Basel Al Johani for his outstanding achievement.*

8. Florida Healthy School District SILVER Award Presentation

The Superintendent made the following remarks: *The Florida Coordinated School Health Partnership and Florida Action for Healthy Kids recognizes school districts who demonstrate exemplary systems and methodologies that foster improved student wellness and performance. To present the Florida Healthy School District SILVER Award is Susan Kennedy. Ms. Kennedy is the District's Wellness Coordinator employed by United Health Care. Ms. Kennedy serves on a childhood obesity initiative called Activate for Kids and is on the Executive Board for Florida Action for Healthy Kids and the Coordinated School Health Partnership. These two organizations are partners in recognizing the District's SILVER achievement as a healthy district.*

9. Recognition of Florida Missing Children’s Day School Bus Operator of the Year

The Superintendent made the following announcement: *On September 14, 2011, Tonia Allen, an Escambia County School District bus operator, was enroute to a high school when she spotted a little girl wandering along the middle of the highway with two dogs nearby. Ms. Allen reacted quickly by pulling over along the roadside so she could approach and safeguard the child, as vehicles were traveling along the highway at high speeds. Ms. Allen retrieved the child from amidst the two dogs and returned to her school bus with the little girl. Ms. Allen proceeded to sound her horn to alert anyone who might be in the nearby house. When no one responded, Ms. Allen alerted transportation dispatchers who contacted the Escambia County Sheriff’s Office. Ms. Allen remained with the child until deputies arrived, where it was determined that the two year old little girl had wandered out of her residence and onto the highway. Ms. Allen’s alert and prompt actions were instrumental in ensuring the little girl would not be killed, seriously injured, or abducted. Because of her efforts, Ms. Allen was named the 2011-2012 Florida School Bus Operator of the Year. Ms. Allen was recently recognized and presented a plaque by Governor Scott at a ceremony in her honor in Tallahassee. On behalf of the School District and the Florida Missing and Endangered Persons Information Clearinghouse, thank you Ms. Allen for your dedication and heroic actions. The Superintendent and School Board congratulated Ms. Allen for being named the 2011-2012 Florida School Bus Operator of the Year.*

Motion was made by Mrs. Moultrie and seconded by Mr. Bergosh, to approve Section V.C.2.a. Mr. David Pittman, representing the Union of Escambia, advised the School Board that the Union would be filing a grievance with regard to the appointment of an individual listed under Section V.C.2.a. Mr. Pittman said the Union was of the belief that the appointment of that individual was in “disregard” of contract. Mrs. Waters advised the School Board that they could legally proceed with the appointment of the individual. Dr. Alan Scott, Assistant Superintendent for Human Resource Services, reminded School Board Members of the purpose of the grievance process. Upon inquiry by Mr. Bergosh, the Superintendent clarified that the appointment that Mr. Pittman had referred to was related to an individual who was previously a teacher but was now moving into an Educational Support Personnel (ESP) position. Motion carried unanimously.
