b. Stellar Employee Recognition

The Superintendent made the following announcement: *It is my pleasure this evening to announce that the Stellar Employee Award for the month of February goes to Sabrina Brown from A.K. Suter Elementary School. Mrs. Brown has been with the District for 39 years, and with Suter Elementary for the past 26 years. As the school secretary, Mrs. Brown comes in contact every day with teachers, students and parents. Whether someone has battled traffic, bad weather, or is just "having a bad day," Mrs. Brown's big smile, deep laugh, and enthusiastic "Good Morning!" can change a person's mood for the positive. The students adore Mrs. Brown so much, that "Having lunch with Mrs. Brown" is the winning prize. This prize is awarded to the student who solves the difficult "Math Problem of the Week." Students beg her daily to visit them while they are at lunch. It is very evident that Mrs. Brown loves Suter Elementary's students like they are her own children. Mrs. Brown is highly efficient and effective in her job duties and helps the school run smoothly daily. But what sets Mrs. Brown apart, is her love of life and sincere dedication to the school. Sabrina Brown retires after this school year. The examples in her work ethic as well as in her personal relationships with all she meets has set a standard that will be maintained and never forgotten. Mrs. Brown represents the pillars of people and service. It is for these reasons that Sabrina Brown has been selected as the Stellar Employee for the month of February. The Superintendent and School Board congratulated Ms. Scanlon for being chosen as the Stellar Employee for February 2014. Ms. Brown received a plaque from the School District and a check in the amount of \$100 from Members First Credit Union.*

c. 2014 School Related Employee Award

The Superintendent made the following announcement: *Tonight I am proud to announce Escambia County's School-Related Employee for 2014 is Charlotte McNeil. Every day in the school's front office, Mrs. McNeil is confronted first-hand with the results of poverty, a challenge which plagues the students of C.A. Weis Elementary School as well as their families. Mrs. McNeil is never shaken or disturbed by what she sees on any given day. Due to her many years of experience at the school, Mrs. McNeil is familiar with the personal situations of siblings and families. Her profound knowledge gives Mrs. McNeil an informed understanding base which helps her to accurately direct and advise parents. Mrs. McNeil also works diligently to ensure children get to their classes. She is a constant, dependable figure in the lives of the students and their families. To sum it up, Mrs. McNeil "understands." The faculty at C.A. Weis Elementary looks to Charlotte McNeil to advise them of the particulars of those that come through the school's front door. Mrs. McNeil successfully performs her job with humor, humility, and great understanding. Mrs. McNeil represents the many support personnel in our District who are an integral part of each school's foundation. Congratulations, Mrs. McNeil, and thank you for representing the wonderful school-related employees that serve our District. The Superintendent and School Board congratulated Mrs. McNeil for being chosen as the School-Related Employee for 2014. Mrs. McNeil*

received a plaque from the School District and a check in the amount of \$100 from Members First Credit Union.

d. Recognition of Model Positive Behavior Support (PBS) Schools

Positive Behavior Support (PBS) is the application of evidence-based strategies and systems to assist schools to increase academic performance, increase safety, decrease problem behavior, and establish a positive school cultures. In 2009 Escambia County School District initiated implementation of the PBS philosophy and framework in 3 Elementary Schools. Since then the district has expanded the PBS framework to 19 schools, including 4 Middle Schools and 3 High Schools. Each year, the Florida Positive Behavior Support (PBS) Project identifies model schools that exemplify best practices in the implementation of PBS systems. Specific characteristics of PBS:MTSS Model Schools are their consistent methods of: (1) utilizing their data to better serve the students and staff, (2) teaching PBS:MTSS to new students throughout the school year, (3) utilization of creative and engaging reward systems, (4) extending PBS:MTSS throughout the campus and partnering with the community and parents, and (5) including PBS:MTSS into daily activities across all available teaching opportunities.

The Superintendent and the School Board recognized the following schools for their efforts in earning the PBS model school distinction during the 2012-2013 school year: C.A. Weis Elementary (Bronze level); Sherwood Elementary (Bronze level); Washington High School (Silver level); Warrington Elementary (Gold level); and Oakcrest Elementary (Gold level).

f. Governor’s Recognition Scholarship Winner

The Superintendent made the following announcement: *It is truly my pleasure this evening to represent the Florida Prepaid College Foundation and provide a scholarship to a very deserving student: Mr. Tavaius Dawson. Mr. Tavaius Dawson is a student at Warrington Middle School who recently*

participated in the Governor's recognition scholarship contest, hosted by the Florida Prepaid College Foundation. The Florida Prepaid College Foundation is the non-profit direct support organization of the Florida Prepaid College Board. Since its inception in 1990, the Foundation has purchased over 34,700 scholarships for students throughout Florida. The Florida Prepaid College Foundation Board is committed to assisting Florida children to achieve their dreams and reach their goal of a higher education. To that end, the Board has implemented several innovative programs that honor our heritage, public servants and those that have defended our freedoms. The presentation of these scholarships is made possible by generous donations from private sector corporations, organizations and individuals. This year marks the seventh year the Prepaid Foundation has hosted the Governor's Recognition Scholarship Essay Contest. One of the goals of the Essay Contest is to provide one scholarship to every county in the State. This year, each winning essay recipient will receive a 2+2 tuition and local fee plan scholarship (valued at \$16,000). The theme of this year's essay contest was "choose one former governor of Florida and describe his most significant impact on the Sunshine State and your life today." Mr. Dawson wrote about Governor Jeb Bush. And it was Mr. Dawson's impressive essay that made him the winner for Escambia County. Congratulations, Mr. Dawson, for your motivation and achieving great success in being awarded the Governor's recognition scholarship. The Superintendent and School Board congratulated Mr. Dawson for being awarded the Governor's recognition scholarship.

g. Recognition of Congressional Award Winner

The Superintendent made the following announcement: It is my honor tonight to recognize an exceptional young lady who has been chosen as a Congressional Award Winner, Anna Bryant. Anna Bryant is a 16-year old sophomore at West Florida High School of Advanced Technology, who participated in the Congressional Award Program. The mission of the Congressional Award is to provide a unique opportunity for young people to set and achieve personally challenging goals in the areas of volunteer public service, personal development, physical fitness and expedition/exploration. Based on commitments to each of the areas, participants can earn bronze, silver and gold Congressional Award certificates and medals. To achieve this distinction, Ms. Bryant completed the four program areas, which consisted of a total of 400 hours of volunteer public service; 200 hours of personal development; 200 hours of physical fitness and expedition/exploration. In the area of volunteer public service, Ms. Bryant volunteered with Chain Reaction, Achilles Divers, and Longleaf Elementary School. In the area of personal development, Ms. Bryant completed scuba certifications and is waiting until her 18th birthday to complete the next level of scuba certifications. In the area of physical fitness, Ms. Bryant completed over 21 miles of bicycling at one time at Fort Pickens. In the area of expedition, Ms. Bryant visited John Pennekamp State Park where she prepared meals, pitched a tent and provided adequate supplies for the trip. For successfully completing the program, Ms. Bryant was awarded the bronze and silver medals in June 2013 and the gold medal in September 2013. Ms. Bryant will travel to Washington D.C. in June 2014 to receive her gold medal award. Congratulations, Anna Bryant, for a job well done! The Superintendent and School Board congratulated Ms. Bryant for her accomplishments.

AMENDED

Motion was made by Mrs. Hightower and seconded by Mr. Slayton, to accept the Superintendent's recommendation to approve Item V.b.1.L.1., *Escambia District Schools 2014-2015 Staffing Allocation Table*. Mrs. Hightower said she wanted to be on the record with a request that if it became possible at a later time for the School District to fund additional deans, she would like to see that occur as she believed it would be very beneficial to have an additional dean at the larger middle schools. Upon inquiry by Mrs. Hightower, the

Superintendent confirmed that the staffing allocation table could be changed at any point in the future if he made a recommendation to do so and if that recommendation was accepted by the School Board. He said that staff had seriously considered the possibility of adding an extra dean position; however, with a cost of approximately \$180,000, it was more than he could currently afford knowing that there were other priorities he would be recommending to the School Board in the Personnel Planning Document (PPD). The Superintendent thought it important to clarify that those schools did not lose a dean; rather they had gained an employee who would work twelve (12) months and who could assist with teacher evaluations. Mr. Bergosh said he understood the reasoning behind the Superintendent's recommendation but like Mrs. Hightower, he was concerned especially with the larger middle schools like Bailey. He said he would not be opposed to readdressing the matter if the discipline situation changed for the worse. Mr. Slayton said he too was concerned about the discipline in the middle schools and like his fellow School Board Members, he would be keeping an eye on that situation. He thanked the Superintendent for changing the allocation in elementary music as the additional units would help increase student time and participation in that area. Mr. Boone requested that the School Board be kept abreast of the middle school dean situation as the next school year progressed. Mrs. Moultrie said that she too would be keeping an eye on the situation. Motion carried unanimously.
