2. Student Recommendations

1. Recommend that, consistent with the decision of the formal hearing officer, student number 04-235-1221 be adopted as the order of the Escambia County School Board and that the student be expelled from the public schools of Escambia County for the remainder of the 2003-2004 school year and all of the 2004-2005 school year with the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

2. Recommend that, consistent with the decision of the due process committee, student number 04-291-061 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

3. Recommend that, consistent with the decision of the due process committee, student number 04-299-601 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

4. Recommend that, consistent with the decision of the due process committee, student number 04-300-862 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

5. Recommend that, consistent with the decision of the due process committee, student number 04-302-1251 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

6. Recommend that, consistent with the decision of the due process committee, student number 04-303-1251 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

7. Recommend that, consistent with the decision of the due process committee, student number 04-304-866 be expelled from all public schools of Escambia County for the remainder of the

2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

8. Recommend that, consistent with the decision of the due process committee, student number 04-305-866 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

9. Recommend that, consistent with the decision of the due process committee, student number 04-306-561 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

10. Recommend that, consistent with the decision of the due process committee, student number 04-307-561 be expelled from all public schools of Escambia County for the first semester of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

11. Recommend that, consistent with the decision of the due process committee, student number 04-308-862 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

12. Recommend that, consistent with the decision of the due process committee, student number 04-310-281 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

13. Recommend that, consistent with the decision of the due process committee, student number 04-313-061 be expelled from all public schools of Escambia County for the remainder of the 2003-2004 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

14. Recommend that, consistent with the decision of the due process committee, student number 04-314-061 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to

enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

15. Recommend that, consistent with the decision of the due process committee, student number 04-315-061 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

16. Recommend that, consistent with the decision of the due process committee, pursuant to the authority of Section 232.26(2), Florida Statutes, student number 05-01-281 be suspended from all classes of instruction on public school grounds during regular classroom hours until such time as the pending criminal charges are concluded, at which time the Superintendent will make a further recommendation regarding suspension, expulsion, or re-enrollment of this student. The indefinite suspension provided herein shall not affect the delivery of educational services to the pupil, and the pupil should immediately enrolled in a day-time alternative educational program.

17. Recommend that, consistent with the decision of the due process committee, student number 05-02-061 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year and all of the 2005-2006 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

18. Recommend that, consistent with the decision of the due process committee, pursuant to the authority of Section 232.26(2), Florida Statutes, student number 05-03-411 be suspended from all classes of instruction on public school grounds during regular classroom hours until such time as the pending criminal charges are concluded, at which time the Superintendent will make a further recommendation regarding suspension, expulsion, or re-enrollment of this student. The indefinite suspension provided herein shall not affect the delivery of educational services to the pupil, and the pupil should be immediately enrolled in a day-time alternative educational program.

19. Recommend that, consistent with the decision of the due process committee, student number 05-05-601 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

20. Recommend that, consistent with the decision of the due process committee, student number 05-06-301 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

21. Recommend that, consistent with the decision of the due process committee, student number 05-07-301 be expelled from all public schools of Escambia County for the remainder of

the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

22. Recommend that, consistent with the decision of the due process committee, student number 05-09-221 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.

23. Recommend that, consistent with the decision of the due process committee, student number 05-11-221 be expelled from all public schools of Escambia County for the remainder of the 2004-2005 school year and all of the 2005-2006 school year. It is further recommended that the student be given the option to enroll, if qualified and if space is available, in an alternative educational program exclusive of regular school placement. Placement to be at the discretion of the Superintendent and to be available as an alternative during the full expulsion time frame.
